

Availability of Datasheet**How to get the datasheet available to the appropriate function****08.11.2000**

procedure:

- copy your actual data sheet to the **/doc** folder under the **ic** directory (e.g. */ic/vcta/doc*)
- rename the data sheet to the current name referenced in the **/doc** folder (e.g. *vct38xx.pdf*), which is currently this document
- now you'll be able to get the data sheet instead of this message.
