

About service manual of DK39 series

Solution of DVD player of DK39 series is the same with that of DK1910SI on the rough, so we will not provide new service manual and please refer to the service manual of DK1910SI for details. The differences between DK39 series and DK1910SI are:

1. DK39 series add Karaoke King chip HL139 and circuit of the player has slight change;
2. Software is different;
3. Outer appearance of speaker is different.
