2-2. Product features

■ COMPACT BUT POWERFULL

■ EASY & CLEAN DUST CARTRIDGE SYSTEM

- Easy - One Touch Easy Dust Disposal
- Hygienic - Minimal Dust Contact
(Refer to 3-5. Changing The Dust Bag/page.9)

■ HYGIENIC

- Hygienic HEPA H11 filter (Option)

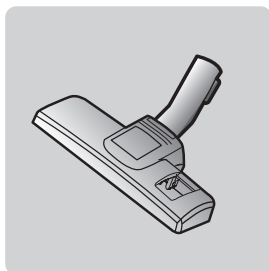

■ EASY TO USE

- Easy To Use Slide Type Handle Control (Option)
- Informative Dust Full Indicator
- Ergonomic Handle on body
- Easy to Press / Large Buttons for Auto Cord Rewind & Power
- 2-Way Parking System
- Cyclone Filter (Option)

■ VARIOUS CLEANING TOOLS

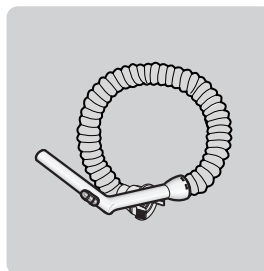

- Brush options
- 2 Accessories on tube

2-3. Accessories (OPTION)

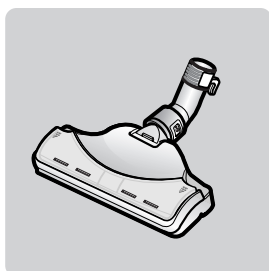

• 2-Step Brush (NB-250)

- Code No. DJ97-00111D
- It rotates 180 degrees, so it is possible to reach every nook.

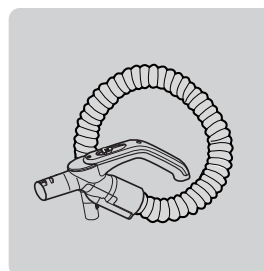

• Body Variable type (Hose)

- Code No. DJ67-00073G

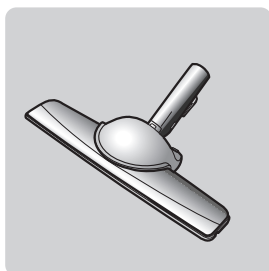

• Pet Brush (TB-101)

- Code No. DJ67-00171A
- It picks up pet hair effortlessly with up to 3,000 rotations per minute.
- An easy-detachable drum cover and turbine cover enable you to easily clean the inside.

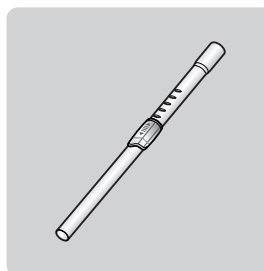

• Remote Control Handle (Hose)

- Code No. DJ97-00268B
- You can conveniently switch the machine on and off, or control the power level of your vacuum, all within the palm of your hand, without reaching down each time.

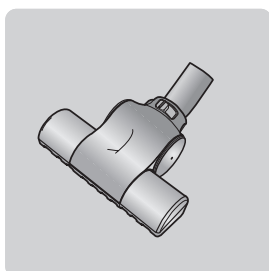

• Parquet Specialist brush (MB-200)

- Code No. DJ67-00216D
- 337mm wide for the fastest suction.
- Soft guard and rollers for easy-moving and no scratching.

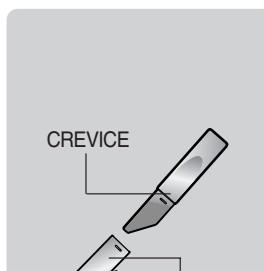

• Steel Telescopic Pipe

- Code No. DJ97-00304A
- The stainless steel telescopic pipe adjusts easily to accommodate each user's individual height.

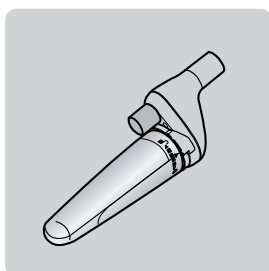

• Linen Brush (BB-200)

- Code No. DJ67-00298B
- Air driven turbo brush specialized for bed.
- Samsung's unique Linen Protective Bars prevent linen from being stuck to the brush and help more efficient and easier vacuuming.

• Dusting brush

- Code No. DJ67-00060B
- The dust brush is used to prevent scratches on delicate objects such as audio systems and air conditioner grills.

• Cyclone filter

- Code No.
- Filters out dust instead of dust bags. Using centrifugal force, cyclone filter deposits dust in it. Easy to empty
- Easy to use. Even-strong suction. Even suction thanks to continuous empty dust bags.

• Crevice Brush

- Code No. DJ67-60114A
- Dust particles like to hide in those hard-to-reach corners and crevices. Use the crevice tool for reaching those narrow, often overlooked nooks and crannies.
